Re: Recreation Workshop
TOPSoccer Workshop

Please be advised there will be a Recreation Workshop session on January 31, 2009 at the Farmington Marriott at 9:30am. Attendance has been low at these workshops; therefore I need your input as to the topics up for discussion. Remember this is your meeting. I am sure that all of you have had questions and wondered how other clubs would handle the situation. This is the meeting to find out. Networking has a positive effect on people and has proven to work. One topic I feel is important is growth and retention of players. I see some clubs registration growing while others are stagnant or lower. WHY? If there are any additional topics you wish to have the group discuss please send them in with your form.

Immediately following the Recreation workshop I will conduct a TOPS workshop. If you are not the contact for the TOPS program but your club does offer a program and wish to start a program please come.

Many other workshops and events will be taking place during this time at the CJSA Convention. A convention schedule with room locations and other sessions being offered will be found on www.cjsa.org. Check this site for schedule changes.

Although this is not a mandatory meeting, it will be beneficial to send a representative. I look forward to meeting you at this event and if you have any questions you can email me directly at mlkabglass@aol.com.
