Overlapping Rosters-premier players on CT Cup rosters

At the April 11, 2011 CJSA Board of Directors meeting overlapping rosters will be discussed again. This discussion is in regards to the number of premier league players allowed on a Connecticut Cup roster. Presently the Connecticut Cup rules do not limit the number of premier players on a cup team. The only restriction is a team that participates in the premier league is not able to enter the CT Cup competition for that season however a premier player rostered to a team in the Premier League may participate in CT Cup play for that playing season.

This topic will be on the April 11, 2011 BOD agenda. If you wish to submit comments regarding the number of premier players that should be allowed on a CT Cup Competition roster to the BOD either email the CJSA Office, CJSA President or your District Vice President.

The following policy change was voted on and accepted at the April 11, 2011 Board of Directors meeting:

501-6 Premier Teams/Players No team participating in the Premier League, U13 Qualifying League or the Fall U-14 Premier League may enter the Connecticut Cup for that playing season. No more than three (3) rostered **premier players participating** in the Premier League, U13 Qualifying League or the Fall U-14 Premier League **may** be rostered on a Connecticut Cup team for that playing season.
